

Application for Recognition of Prior Learning (RPL) Formal Learning

Application Details

This form enables you to apply for Recognition of Prior Learning (RPL) for particular unit(s).

You will need to provide evidence in the form of original or certified copies of official transcripts and academic records from your previous educational institution. An RPL assessor will then determine if you meet all the requirements to be granted an RPL for the applied unit(s).

Application Procedure

1. You should make an appointment to meet with your Director of Studies (DOS) to discuss your application; this will ensure you have a clear understanding of the procedure and which formal documents/evidence you will need to provide to support your application.
2. After you have discussed your application with your DOS, complete all sections with evidence (original or certified copies) attached to this application and return to your DOS.
3. You will be required to pay the standard fee of \$250.00 per application (Please note there is a maximum of 3 units per application).
4. You should pay these fees at reception and show the receipt to your DOS in order for the RPL to be further considered (Please note that the application fee applies regardless of the RPL decision outcome).
5. The application will be assessed and you will be informed of the outcome with 5 working days.

Please note: If there is no equivalent unit or Cambridge International College (WA) is unable to decide equivalence because of lack of previous course/study evidence, then it is unlikely that you will be granted an RPL.
